STONE LOOK

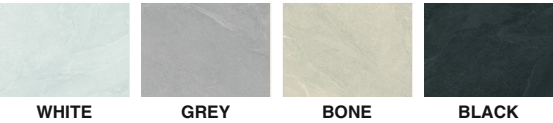

STONE LOOK

ARDESIA

A slate-inspired outdoor porcelain with delicate veining and a slightly textured stone character. A strong option for terraces, paths and modern garden spaces.

COLOURS

Formats: 60x60, 60x90, 60x120
Finish: 20mm / R11C / C3 anti-slip porcelain

PROJECT READY

- R11C / C3 anti-slip surface
- 20mm porcelain for outdoor use
- White, grey, bone and black tones

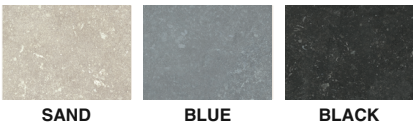

STONE LOOK

BELGIO

A blue-grey stone aesthetic inspired by Belgian bluestone, with a sober, timeless look for patios, courtyards and pool areas.

COLOURS

Formats: 60x60, 100x100
Finish: 20mm / R11C / C3 anti-slip porcelain

PROJECT READY

- Timeless bluestone aesthetic
- Suitable for indoor-outdoor flow
- Sand, blue and black colours

STONE & LIMESTONE LOOK

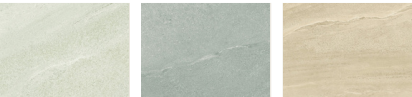

STONE LOOK

EDDYSTONE

A volcanic stone-inspired surface with realistic movement and calm neutral tones. Works well for contemporary terraces and landscaped garden routes.

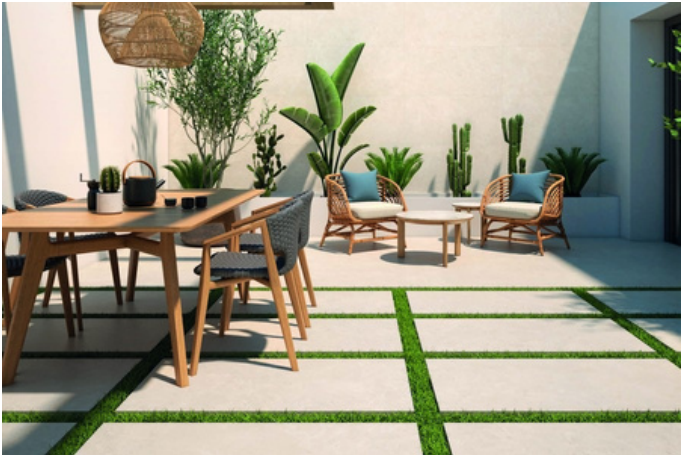

COLOURS

Formats: 60x60, 60x90, 60x120
Finish: 20mm / R11C / C3 anti-slip porcelain

PROJECT READY

- Volcanic stone character
- Three neutral colourways
- Made for clean exterior design

LIMESTONE LOOK

MONTPELLIER

A Mediterranean limestone look with soft veining and natural detail. Available in rectified and rock edge options for a more relaxed outdoor finish.

COLOURS

Formats: 60x60, 60x90, 61x91 Rock
Finish: 20mm / R11C / C3 anti-slip porcelain

PROJECT READY

- Mediterranean limestone effect
- Rock edge options available
- Warm light exterior palette

Finish: 20mm / R11C / C3 anti-slip porcelain

PROJECT READY

- Neutral urban appearance
- Simple repeat specification
- Blanco, Perla and Marfil

TECHNICAL SUPPORT

WHY THIS RANGE WORKS

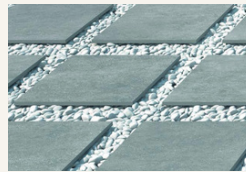

The outdoor collection is built for specification. It gives house builders, landscapers and project teams a clean group of dependable looks, clear pricing and the key technical reassurance needed for external porcelain.

INSTALLATION OPTIONS

ADHESIVE

Fixed to a solid prepared base for permanent external areas.

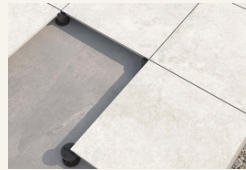

GRAVEL

Dry laid over compacted gravel for patios, paths and garden zones.

GRASS

Laid through landscaped areas to create stepping paths and grid designs.

PEDESTALS

Raised floor system for roof terraces and drainage access.
